RE: Notice of Campaign Contribution from the Midwest Region
Laborers' Political League- FEC # C00342907

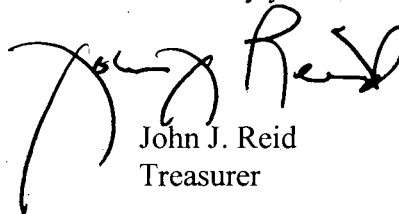

Dear Sir:

The Midwest Region Laborers' Political League is a Federal PAC registered and reporting monthly to the Federal Election Commission. On November 22, 2010, we made a campaign contribution to 'Melina Kennedy for Indianapolis' in the amount of \$7,000.00. After consultation with your office regarding filing requirements, I am attaching our most recent FEC Form 3X Summary Report filing, along with a copy of the Schedule B which indicates the contribution. The entire report will be available on the FEC website after December 2, 2010, or if necessary, I will forward a copy to you.

This Committee is not making contributions to any other candidate, in any other County in the State. If additional information is needed or if you have questions please contact me at 217-522-3381.

With kind regards, I am

Sincerely yours,

John J. Reid
Treasurer
